

WDCA  
12/11/2008  
MINUTES

Meeting called to order  
Approval of the minutes

Crime Report was reviewed by Officer.

Guest Speaker: Steve Braymer, to discuss whitefly

Steve spoke of the spreading of the whitefly and what to do. The trees must be sprayed several times a year, or chemicals can be injected into the ground.

Old Business:

Artificial turf discussed. Todd asked all homeowner associations to bring it up and discuss, if we want this in our yards.

Task: all homeowners bring it up next meeting

Parking: Todd said the City said each association should address the parking concerns they have, and handle them according each governing rules.

New Business

Rats are becoming a problem once again, we are going to notify the City

Richard from Villaportofino suggested we view his web site he created. Maybe this would help us start one for WDCA. His site [villaportofinohoa.com](http://villaportofinohoa.com)

Task: everyone review site

Meeting adjourned
