BROWARD SHERIFF'S OFFICE NEIGHBORHOOD WATCH PROGRAM

Sheriff **Al Lamberti** and the men and women of the Broward Sheriff's Office recognize that community involvement is one of our agency's best crime fighting tools.

Neighborhood Watch Programs provide residents with important information on crime prevention, crime trends and upcoming city events.

What are the benefits of a Neighborhood Watch Program?

- Improved communication and partnerships with law enforcement
- Reduction in crime
- A more secure and better prepared hometown
- A more united community.

The five steps that must be taken to start a successful Neighborhood Watch Program include:

- Recruit and organize as many neighbors as possible
- Contact BSO's Deerfield Beach District to schedule a meeting
- Discuss community concerns and develop an action plan
- Hold regular meetings and train community members
- Implement a phone tree and take action steps

To start a program in your neighborhood, contact Sergeant **Randy Gresham** at **954.420.5554**.

CITIZEN ON PATROL (COP) PROGRAM

The COP Program is a volunteer group sponsored by the Sheriff's Office that uses a simple approach to safeguarding neighborhoods through residents' involvement. COP volunteers are local residents who help BSO fight crime by patrolling their community, looking out for suspicious activity or potential hazards and offering assistance to local residents. Typical assignments in addition to patrol activities include performing checks on unoccupied residences (at the owner's request),

checking on elderly or homebound residents (as requested) and reporting potential problems and neighborhood hazards to BSO. To learn more about the program or to join, please call Deputy **Jim Engle** at **954.571.4553**.

COMMUNITY EMERGENCY RESPONSE TEAM (CERT)

CERT provides citizens with training in basic emergency response skills such as fire suppression, light search and rescue and CPR. To learn more about the Deerfield Beach CERT program or to become a member, please call Division Chief **John Quitoni** at **954.831.8200**.

FIRE RESCUE EXPLORER PROGRAM

The Fire Rescue Explorer Program is for young men and women considering a career in fire rescue and emergency services, the Explorer Program at BSO affords practical training and experience through education, community involvement and public service. Primarily geared to high school students, fire rescue explorers are introduced to fire fighting and rescue techniques through a regimented course-of-instruction based on teamwork and responsibility. For more information on the Broward Sheriff Fire Rescue Explorer Program, call Lieutenant **John Schneider** at **954.831.8200**.

LAW ENFORCEMENT EXPLORER PROGRAM

The Law Enforcement Explorer Program works with teens and young adults (14-21 years of age) by allowing them to interact with law enforcement and other community advisors in a serious, regimented atmosphere where the students can demonstrate their personal initiative. The program offers young adults the opportunity to learn and experience lawful citizenship as they work side-by-side with certified BSO deputies in ongoing training and community service projects.
